THANK YOU EVERYONE

Thank you everyone for your thoughtful and generous donations to Mario and his school to help pay off the loan before foreclosure. We just got the money to him Thursday, August 11. Here is Mario standing on the second floor holding the bank note showing a balance of zero. This has lifted a great burden off his shoulders and relieved a lot of stress. Now maybe he can get a good night's sleep. Thanks to you, College Mixte La Renaissance will remain open and 630 students will get an academic education as well as a Bible class and prayer. You have helped save a wonderful work for the children of Haiti. I know Mario thanks you from the bottom of his heart as we do, too. God bless each and everyone who helped.

Sincerely, Richard and Bev Felmey
