

One of our stateside Baptist churches has an amazing 5 year old that has a desire to work for the Lord and help our missionaries. Her name is Julianna. She began to think about how she could help out after hearing missionaries speak at our church. She set up a lemonade stand in front of the church on one of the warmest days in August.

She raised \$51.35 for missions. One Sunday morning after that Saturday, our pastor challenged the congregation to match what Julianna had raised. A total of \$171.00 was given at the end of the service. I spoke to Julianna's grandmother, and she told me that Julianna is thinking of other ways she can raise money in order to meet the needs of an elderly lady in the church.

Julianna is truly an amazing little girl by thinking of others' needs and not her wants at such a young age.
