## Summer Tour and Return to Haiti

Pg. 1

Dear Family and Friends,

Sept. 18, 2015

God gave us an awesome summer with many blessings. He gave us safety on the road and in the air, an outstanding fund raising summer, fun times with old friends and the meeting of new ones. We were blessed with complimentary tickets for Whale Watching, etc. Thank you to all who crossed our paths this summer, who have blessed Feed My Sheep financially, with your prayers and uplifting words. It means so much to us.

We have been a bit delayed heading back to Haiti due to so many churches to share with. We are booked to return to Haiti Sept. 25<sup>th</sup> and are looking forward to a busy Fall with several teams already booked and many teams already booked for 2016. If you are planning a trip in 2016, please be sure to go to the web site and click the calendar link to see open weeks to choose from. We are filling up fast so don't delay securing your week.

We also want to remind any Child Sponsors that pay once a year that school has already begun in Haiti and when we return we will be paying the school the tuitions of all sponsored kids, so if you haven't sent your payment in, please try to get that in as soon as possible (see address at top).

We are looking forward to a great year (Sept. – June) with many teams and many accomplishments. We still have building projects that need to be sponsored, children to sponsor, families and elderly to be sponsored and even "vision seeker" teams; new teams that come on their first trip with open eyes and hearts to see all that God is doing in Montrouis through FMS.

Several people have asked in the past, “How can we help you back in the states”? Well, what would be a great help to the ministry is if you or a group would like to do fund raisers throughout the year. There are MANY ways to do this. Eg:

1. Benefit Dinners
2. Auctions – silent or live
3. At one church one man made small crosses with a metal stake in bottom out of wood about 1x1 for the congregation to stick in their front yard as a witness of their faith. Made inexpensively.
4. We had one young man earning his Eagle Scout Badge, loved soccer, so he organized 3 on 3 tournaments and raised a lot of money.

So, basically, whatever your passion is, you can turn it into a fund raiser.

May God Continue to bless you in every way.

Sincerely, Richard and Beverly Felmey
