PRAYER AND DONATIONS NEEDED: Feed My Sheep hosts many teams throughout the year and enjoy showing them Haiti, the gracious people and a life changing experience. In order for this to happen, we/FMS needs a reliable vehicle to transport our teams to and from the airport and around town. Many of you know, our "big" truck has been retired. We have the wonderful opportunity to purchase this van. It's a 2001 Nissan Diesel URVAN with a little over 21,000 miles, 15 passenger, A/C for \$15,000.00. This is a great deal. We have about 1 year to raise the funds. FMS and our teams will be blessed to have such a nice vehicle as an addition to our ministry. After praying, if you feel led to make a tax deductible donation for the purchase, please do so via our web site pay pal link (and be sure to make a note of what your donation is for) at www.feedmysheep-ministries.org or message me for mailing information.
