

These are the Paul siblings. Back Row L. to R.: Peterson – 16, Magdala – 15, James – 18; Front Row: Mireille – 15 and Sterlens – 12.

This is their story. In the week of April 4th, their mother was on the side of the street in downtown Montrouis selling her food like she did every day. On one fateful day this week, a big truck swerved to miss a motorcycle and hit several people on the street. Their mother was killed, thus leaving them all orphans.

The oldest brother James is very burdened as he is worried they will all be kicked out of school. He is also concerned as they have no work to get food. We told them we would put their story out and see what we could do. If you would like to sponsor one of these kids for \$25 a month each so they can stay in school, let me know and I will send you the information on where to mail the checks. If you would like to maybe just sponsor the “family” so we can put food in the house, let me know that as well.

These seem to be very good kids that in the blink of an eye have the burden of the world on their shoulders just trying to eat and go to school.

Thank you for your prayers and help. God Bless you,

Richard and Beverly Felmey
