

Feed My Sheep R/B Charges

Feed My Sheep charges \$30.00 per day, per person (this being the day you arrive through the day you leave). This fee covers transportation to and from the airport (fuel costs) and any local travel for the team. Fuel is what we spend the most money on with a team. This also provides two (2) meals a day: a big breakfast and a big lunch. In the evening, there is always fruit, bread, peanut butter, leftovers, etc. We have 24/7 electric, indoor private bathrooms, safe food and clean safe drinking water.
